During this private conversation, a discussion of politics arose and the matter of the recent kidnapping of a West German Ambassador in Guatemala was brought up. In order to provoke a conversation, [REDACTED] stated that the twenty-two prisoners in Guatemala, whom the kidnappers had demanded be released in exchange for the ambassador, should be hung in public to set an example and in order to avoid future kidnappings by political rebels. [REDACTED] answered that if anything happened to the twenty-two prisoners the "Hermandad Mundial" (World Brotherhood) would arise all over the world in retaliation and to "establish themselves". [REDACTED] explained that when the "Hermandad Mundial" goes into a new country, the first thing they do is kill the Moscow oriented leaders of the Communist Party (CP) in that country. This is done in order to intimidate the people and other communists in order to make them fall in line. When [REDACTED] questioned why communist rebels would kill Moscow oriented communists [REDACTED] answered, "We are Peking oriented".

Upon leaving [REDACTED] it was the unanimous opinion of [REDACTED] that [REDACTED] was obviously lying. Each agreed that he actively supports MIRA.

[REDACTED] advised that the picnic organized by BLANCA CANALES and held on 4/26/70 at St. Just, P. R. had raised about \$500. He said that between 90 and 100 persons attended. The possibility exists that subject and [REDACTED] are involved in the recent wave of incendiarism in the New York City area and may possibly make up a Movimiento Independentista Revolucionario En Armas (MIRA) cell operating in the Bronx.

Subject has been closely associated with the Nationalist Party of Puerto Rico (NPPR) - New York Junta (NYJ) for many years, but for the past year has ceased activity in the NYJ, implying that he is involved in activity more beneficial to the cause of independence.

Recent information obtained by both the SJO and NYO indicates a willingness on the part of some NPPR members to assist MIRA, either through financial assistance or the obtaining of material and equipment for them.

The possibility exists that subject's reported trip to Puerto Rico may be in some way connected with MIRA activity.

MOVIMIENTO INDEPENDENTISTA REVOLUCIONARIO  
EN ARMAS (ARMED REVOLUTIONARY INDEPENDENCE  
MOVEMENT) (MIRA)  
INTERNAL SECURITY - PUERTO RICAN NATIONALIST

A characterization of MIRA  
appears in the characterization  
of Partido Socialista Obrero  
(Socialist Workers Party) (PSO)  
which is attached hereto.

On May 7, 1970, the Office of Intelligence, Police  
of Puerto Rico (OI-POPR) advised that MIRA has acquired a  
.45 caliber Thompson Sub-Machine Gun and is currently in the  
process of obtaining ammunition for this weapon. In addition  
MIRA members are seeking 30/30, .38 and .32 caliber ammunition,  
and ammonium nitrate. A member of MIRA has confided that in  
the near future, MIRA plans to use the sub-machine gun  
"for something big," no further details available. The OI  
received this information from a source who has furnished  
reliable information on MIRA activities in the past.

On December 12, 1969, the OI-POPR arrested several  
members of the captioned organization on charges involving  
violations of the Explosives Law of Puerto Rico in connection  
with the bombing of several business establishments in the  
San Juan, Puerto Rico, area on December 11, 1969. Two leaders  
of the group, Roberto Todd Pagan and Filiberto Ojeda Rios,  
were not arrested at that time, although warrants had been  
issued for them.

On February 23, 1970, the OI-POPR received  
information from reliable sources that Ojeda Rios was hiding  
[REDACTED] Puerto Rico and that

b7c Roberto Todd Pagan was hiding in an apartment at [REDACTED] Puerto Rico. On February 24, 1970, agents of the OI-POPR raided both addresses, but neither individual was apprehended. Seized at both locations were a large amount of MIRA documents. Included in the documents at [REDACTED] was a chart indicating the following targets for "sabotage:"

- "1. Tourism
2. General economic property
3. Communications
4. Enemy installations
5. Federal agencies"

Targets for "direct armed action" are listed as follows:

- "1. Enemy soldiers
2. Local repressive bodies
3. Traitors, informants, etc."

With reference to the numbered sabotage targets, it is noted that on December 11, 1969, MIRA claimed responsibility for the placing of bombs in several hotels in the San Juan area. On February 7, 1970, facilities of the General Electric Company in Rio Piedras, Puerto Rico, and the Selective Service Office, Dorado, Puerto Rico, were bombed and subsequently claimed by MIRA. On April 23-24, 1970, 51 explosive devices were discovered at communications facilities located at "El Yunque," a mountain located near San Juan. Thus far, the terrorist organization responsible for placing the bombs at "El Yunque" has not been determined. Based on the foregoing, it appears that to date MIRA has acted against tourism, general economic property, Federal agencies and possibly communications. This suggests that the next action by MIRA could be directed against "Enemy installations."

According to OI, the wording "Enemy installations" would logically include all U. S. Military installations, National Guard facilities and possibly local and Federal law enforcement groups.

PARTIDO SOCIALISTA OBRERO  
(SOCIALIST WORKERS PARTY) (PSO)

On April 30, 1968, a confidential source furnished a printed document captioned "Manifiesto Del P. S. O. A Todo El Pais" (Manifesto of the PSO to the Entire Country). It announces the creation of the new organization "Partido Socialista Obrero" and calls upon the youth of Puerto Rico as those who in the end "are going to defeat Imperialism, Colonialism and Capitalism by building a new society of peace and justice under the flag of Marxist-Leninist Socialism." The manifesto terminates with declarations that: It will work for unity of working people exploited by the rich; youth should unite against obligatory military service; it will respond violently in defense of life and country against the oppression of the FBI, CIA and Colonial Police. The manifesto is signed by a group of individuals with WILSON CORTES BURGOS identified as Secretary General of the organization.

The May 22, 1968, issues of "El Mundo" and of "El Imparcial," both Spanish language daily newspapers published in San Juan, Puerto Rico, carried articles concerning the formation of a new "political party" called the "Socialist Workers Party" in Aguadilla, Puerto Rico. According to the articles, the new organization advocates armed revolution and announced at a public meeting that it would secure weapons to achieve its objective of Independence and Socialism for Puerto Rico. The articles reported that at the public meeting in Aguadilla, Chinese communist leader, MAO TSE TUNG, was cheered and workers, countrymen and students were urged to battle against Capitalism.

On August 27, 1968, the same source reported that WILSON CORTES BURGOS justified the need for the new organization, PSO, with the declaration that it was the first independence-type organization which followed the Marxist-Leninist line as expounded by MAO TSE TUNG of Red China.

On September 16, 1968, a second source reported on an open meeting sponsored by the PSO in Lares, Puerto Rico, on September 14, 1968. WILSON CORTES BURGOS was the principal speaker and he criticized other independence groups for not being more militant. CORTES BURGOS declared that the PSO was aligned with the world communist movement and was following the Marxist-Leninist line of political activity.

PSO CONTINUED

On September 16, 1968, the first source advised that the first issue of the official publication of the PSO, "Obreros en Marcha" (Workers on the March) had been published.

In December, 1968, the first source related that NARCISO RABELL MARTINEZ, known to him as the former representative in Havana, Cuba, of a prominent independence organization in Puerto Rico, had become very active in the PSO and was in the process of organizing within the PSO the Movimiento Independencia Rebelde Armado (MIRA) (Armed Rebel Independence Movement) composed of select members of the PSO who are to be in charge of all sabotage and related activities of the PSO. RABELL, with the concurrence of WILSON CORTES BURGOS, has announced that the aim and goal of MIRA and PSO will be to attack and destroy by means of bombing or incendiarism all the American owned businesses possible. According to the source, targets will also include other American establishments on the island of Puerto Rico such as National Guard Armories and military installations.

Prior to the bombing, the NYCPD Emergency Operator received telephone call from unknown male, speaking in decidedly Spanish accent, who warned that "you have 8 minutes to evacuate Sears, Roebuck". When pressed for additional details the Unsub stated there would be an explosion in Sears Stores in Brooklyn, Bronx and Manhattan.

After explosion, other Sears outlets were searched by NYCPD with negative results.

According to information from NYCPD Bomb Squad,

Effort is being made to obtain a copy of that portion of the tape which recorded the bomb warning to Police Emergency Number. If available, tape will be played to logical sources in effort to identify caller's voice.

PARTIDO INDEPENDENTISTA PUERTORRIQUENO  
(INDEPENDENCE PARTY OF PUERTO RICO) (PIP)

On April 1, 1968, the Office of Intelligence, Police of Puerto Rico (OI, POPE), Hato Rey, Puerto Rico, advised that the PIP is a former legally constituted party, which according to its officers, advocates independence for Puerto Rico through legal and peaceful means.

In the November, 1964, general elections in Puerto Rico the PIP failed to obtain the five per cent of the popular vote required to maintain its status as a political party. The PIP recently completed a successful campaign to secure the necessary number of valid petitions to be included on the ballot for the November, 1968, elections.

In the November, 1968, elections, PIP again failed to secure five per cent of the total vote cast and lost its standing as a recognized political party in Puerto Rico.

On March 31, 1969, the "San Juan Star," a daily English language newspaper printed in San Juan, Puerto Rico, carried an article stating that ANTONIO J. GONZALEZ, the gubernatorial candidate of the PIP in the 1968 elections, resigned from the PIP charging that the PIP had turned to the Left.

On June 2, 1969, the "San Juan Star," supra, contained an article stating that on June 1, 1969, ANTONIO J. GONZALEZ formed another independence party which would be called the Puerto Rican Union Party.

According to an article in the "San Juan Star" on June 5, 1969, the Puerto Rican Elections Board disclosed that the PIP had registered and filed with the Elections Board 42,042 petitions to qualify as a bona fide political party. According to the Electoral Law of Puerto Rico, the PIP must file at least 45,941 petitions from no less than 44 precincts in order to qualify as a bona fide political party. This number is five per cent of the vote cast in 1968.

BOMBING MATTERS

b7C  
On May 13, 1970, [REDACTED] Lieutenant, Office of Intelligence, Police of Puerto Rico (OI-POPR) advised that at approximately 3:15 a.m. on 5/13/70, two separate bomb explosions took place at the Burger King Restaurant, located on the corner of Ponce de Leon Avenue and Dr. Jose Gandara Avenue, Rio Piedras, Puerto Rico. These two bomb explosions occurred approximately three minutes apart. One of the two bombs caused the electricity to be shut off and it was noted that the employee punch clock had stopped at 3:15 a.m. The damage at the restaurant consisted of destroying parts of one wall of the building and destroying part of the ceiling. The two bombs were apparently placed at the rear of the restaurant possibly in a ventilator or air conditioning vent. A large transformer located by the side of the building was completely destroyed.

b7C  
The second blast hurled a piece of steel, approximately 40 pounds, 375 feet which struck a University coed by the name of Ruth M. Rosario Rivera, age [REDACTED] white female, born in [REDACTED] Puerto Rico, and whose present residence is [REDACTED] Puerto Rico. Miss Rosario was awakened by the first blast and went to investigate, when she was struck by the piece of metal from the second blast. This student is presently in a local hospital, with an apparent head injury.

No other injuries were confirmed, although much debris was scattered in the vicinity of the two blasts.

UNKNOWN SUBJECT: BOMBING OF BURGER KING RESTAURANT.

Several Yale locks were found on the ground at the rear of the Burger King Restaurant and apparently had been sawed through prior to entry into the restaurant.

A damaged Westclox pocket watch was found in the vicinity of the two explosions at the rear of the restaurant.

The OI-POPR, during the course of investigation conducted by OI-POPR, interviewed several individuals in the vicinity of the Burger King but no specific information concerning the identity of the individuals sought in the bombing was obtained.

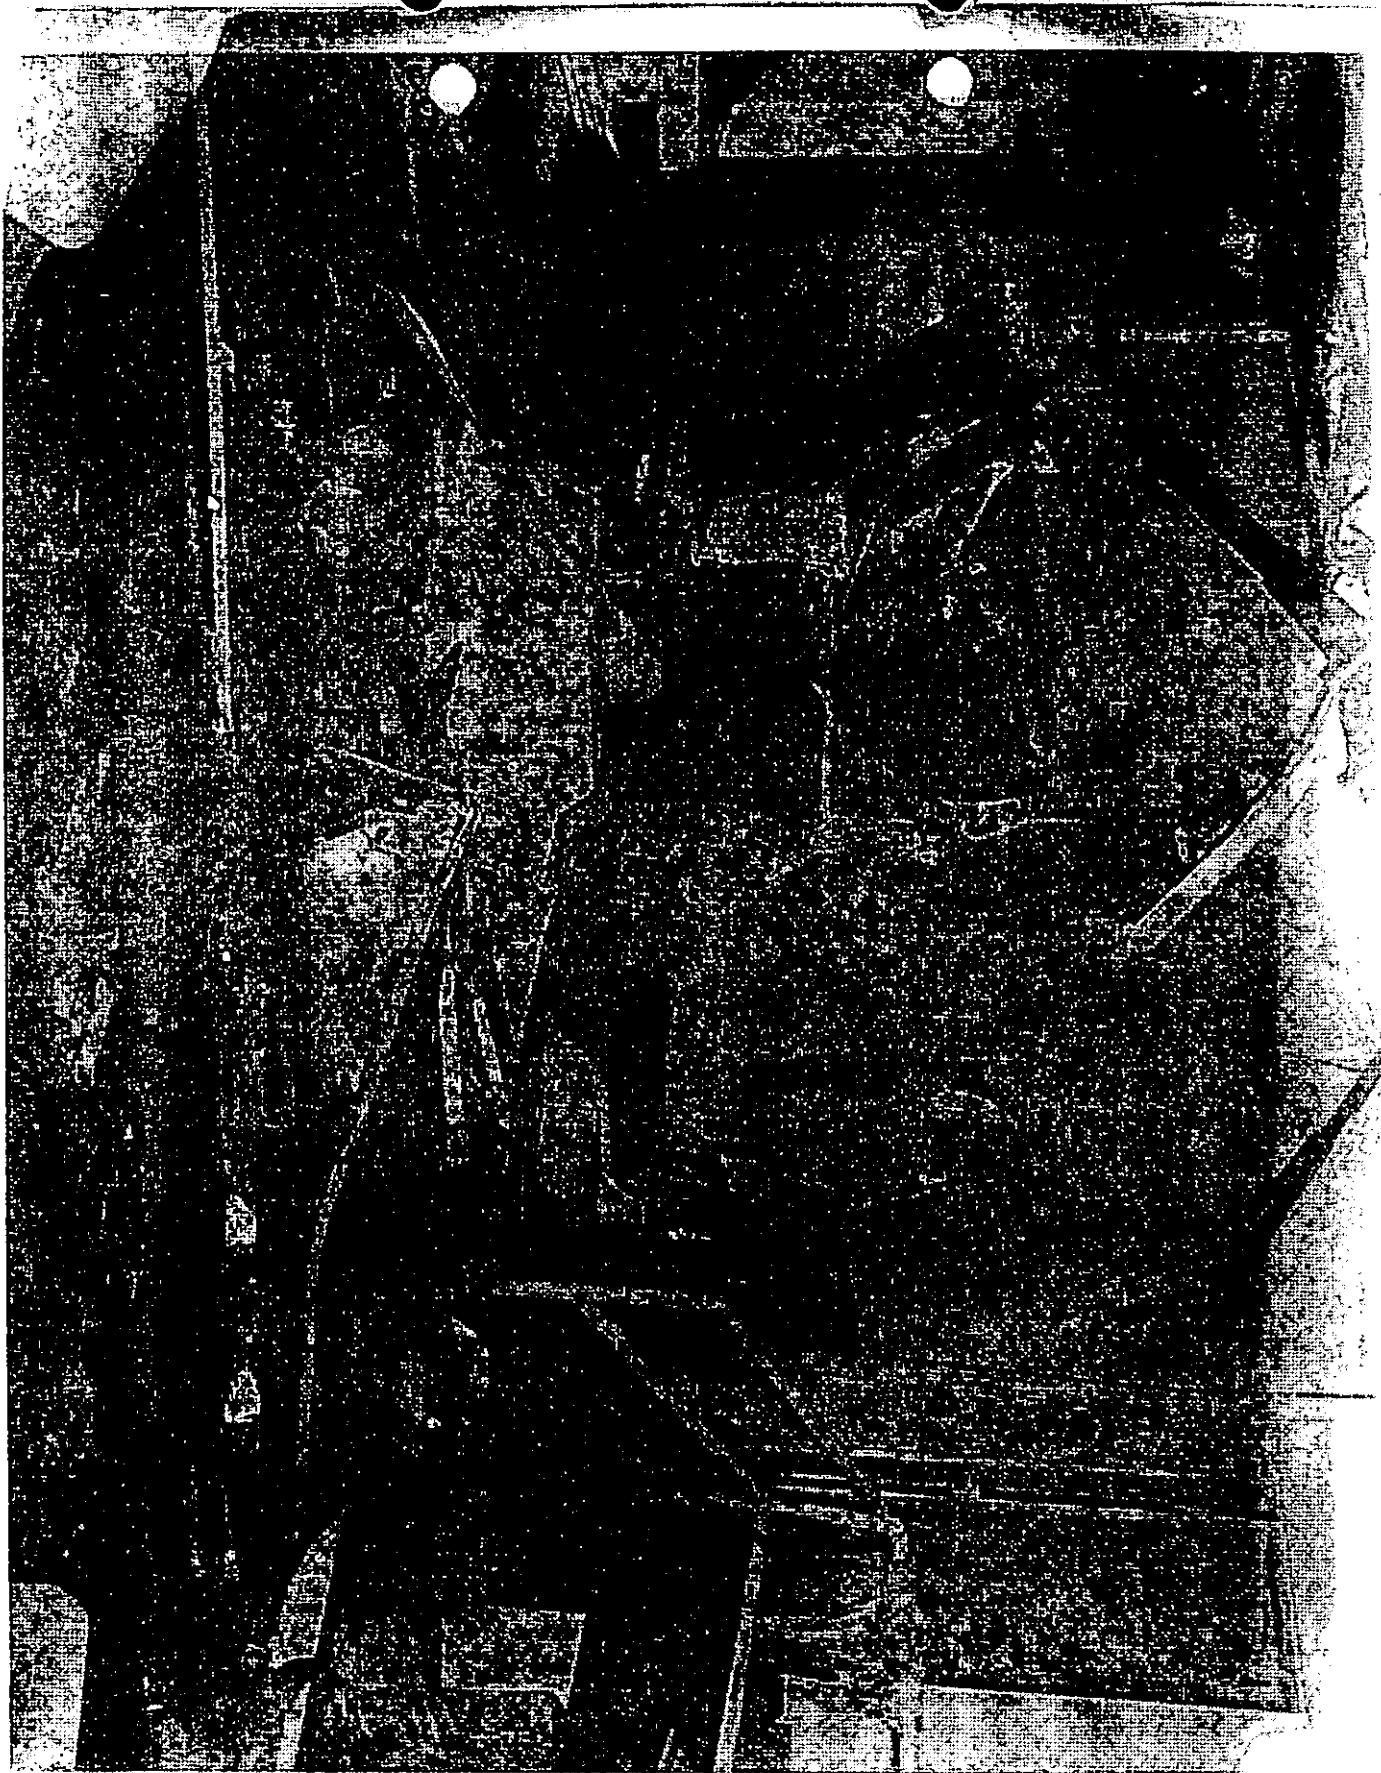

A notation was found scrawled on the wall of the Burger King Restaurant which read as follows in Spanish: "Antonia, Venceremos CAL." This was written with black marking pen or some similar instrument.

The Comandos Armados de Liberacion (Armed Commandos of Liberation) (CAL) is a Puerto Rican independence seeking group that claims to be responsible for some of the incendiarism and bombings occurring in Puerto Rico since October, 1967. CAL disclaims any affiliation with any known separatist group and alleges that their complete operation is clandestine.

"Antonia" in the notation found at the Burger King refers to Antonia Martinez, the University of Puerto Rico coed who was killed by a bullet during the recent riot at the University of Puerto Rico campus on March 4, 1970.

Initially during the investigation by OI it was thought a second possible victim had been injured as a result of the bomb blast, but this information proved to be erroneous.

Attached are photographs taken at the scene of the explosions. They were furnished by Lieutenant [REDACTED] OI-POPR, on May 15, 1970.

Re memo of SA ALFRED E. SEDDON, 3/30/70.

Re memo reflected that a document was seized by agents of the OI-POPR during their investigation of MIRA in which a reference was made to one [REDACTED]. Specifically the sentence, which was contained in a letter signed [REDACTED] was as follows: "I went to buy cigarettes at the "Corona" and I met [REDACTED]. It is not clear from the above citation whether the [REDACTED] referenced to is identical with the subject. However, it is possible that it is indeed identical inasmuch as the subject [REDACTED] and almost certainly would be expected to know [REDACTED] who is [REDACTED]. Nevertheless, there is no indication in this citation indicating that [REDACTED] is, in fact, connected in some way with the MIRA group. Further, no other information has ever been developed which would suggest this.

In view of the above, it is recommended that this case be closed at this time.

INTERNAL SECURITY - PUERTO RICAN NATIONALIST

Enclosed are the original and one copy of a memorandum captioned as above, which outlines pertinent facts in this matter discussed with Messrs. John P. Doherty and Paul C. Vincent of your office by Special Agents Andrew J. Decker, Jr., and Sebastian S. Mignosa of this Bureau on May 20, 1970.

Mr. Doherty advised, based on the facts as outlined in the enclosed memorandum, it is his opinion that successful prosecution is doubtful without the testimony of the FBI informant. Mr. Doherty advised, however, he planned to further research the matter.

Mr. Doherty stated that if the informant were available to testify and that if it could be shown that individuals in Puerto Rico were also involved, particularly through shipment of the explosives to co-conspirators in Puerto Rico, prosecution could proceed under Title 18, U. S. Code, Section 2384. He also advised that if conspiracy does not exist beyond the passage of explosives in the United States, prosecution could be considered under Title 18, U. S. Code, Sections 921 through 928.

Mr. Doherty also stated that use of a recording device by the Special Agent during the meeting with the subject or subjects could be helpful if prosecution is undertaken.

b7C  
On 5/19/70, SAS ALESTIO SAVIOIA and LEONE interviewed Detectives [REDACTED] officers who arrested CARLOS FELICIANO VAZQUEZ [REDACTED] on 5/16/70 as he was attempting to place a pipe bomb next to the US Army recruiting station at the above mentioned location.

b7C  
These officers disclosed that upon arriving at the above mentioned site, FELICIANO removed a brown paper bag from the trunk of his vehicle and walked to the US Army recruiting booth. As he bent over to place the bag near the booth, he spotted two uniformed patrolmen talking to a motorist 30 feet away. FELICIANO retrieved the bag, returned to his vehicle and hurriedly placed the brown bag into the trunk. Upon doing so, he somehow exposed a loaf of French bread in the bag and his rapid movements forced the capped end of a pipe bomb from the top of the bread. The officers called to the uniformed patrolmen to stop FELICIANO's vehicle which was by that time pulling away in traffic. This was done and Detectives [REDACTED] moved in to make the arrest.

On the morning of 5/19/70, FELICIANO appeared for a formal hearing in NYC Criminal Court, NY County, Part 1-D. He was represented by Attorney FRANK ORTIZ, who argued for a reduction of the \$150,000 bail. Assistant District Attorney JOHN FINE advised the court that FELICIANO was a member of an organization which had ties to "a foreign government" and his presence in court at the time of his trial could only be assured if his high bail was maintained. Reduction of bail was denied and the case was continued until 6/8/70, to allow the NYCPD Laboratory to complete its examination of material found in FELICIANO's residence during the 5/17/70 search by NYCPD detectives.

On 5/20/70, the above facts were presented to AUSA HAROLD J. BAER by SA LEONE for a prosecutive opinion in connection with a possible violation of Attempted Destruction of Government Property on the part of FELICIANO. AUSA BAER declined in favor of local prosecution.

b7C  
On 5/21/70, Detective [REDACTED] advised SA LEONE that at the time of his arrest, FELICIANO had in his possession a slip of paper which tended to identify him as "PABLO" and a list of pre-arranged meeting places identified by numbers one through 20. It was Detective [REDACTED] opinion that when FELICIANO and his associates telephoned each other to set up a meet, they merely had to mention one of these pre-arranged numbers during their conversation.

The NYO has requested copies of both these slips of paper which have been sent to the NYCFD Lab. Copies of the papers will be furnished to SJO when made available.

When asked the significance of the list of locations on one slip of paper, FELICIANO told arresting officers that he had been thinking of taking the test to obtain a hack license and he had been told by a cab driver friend that these were a list of locations which appear on the hack license examination.

Regarding the French bread and contents, FELICIANO stated that he had found the bread and was bringing it home to his dog, who likes bread. He disclaimed any knowledge of the contents of the bread.

Beyond this, FELICIANO has made no statements to detectives or the Assistant District Attorney.

It should be noted that FELICIANO was arrested at approximately 2:00 p.m., 5/16/70. He had been observed leaving his residence at approximately 12 noon carrying both the brown paper bag which he placed in his trunk, and a green paper bag, which he laid beside himself on the front seat of his vehicle. He drove to and parked in the vicinity of the Puerto Rico Theater, East 138th Street and Willis Avenue, Bronx, NY. He stood for 50 minutes in front of the theater, all the while carrying the green paper bag. He appeared to be awaiting someone, who never arrived. From this location, FELICIANO drove to the Armed Forces recruiting station.

The search of his vehicle following his arrest determined that the green paper bag contained a telescopic sight for a rifle. FELICIANO did not comment on its significance.

NY 105-106896

Facts surrounding the association of FELICIANO with MIRA, his arrest and results of the subsequent search of his residence will be set forth in an LHM under his caption.

Close liaison is being maintained with the NYCPD Special Squad and all pertinent developments will be furnished to Bureau and SJO.

## Grupo Separatista NY Niega Pusiera Bombas

La agrupación Independentista, Resistencia Puertorriqueña, con sede en Nueva York, negó haber tenido participación en la colocación de bombas incendiarias en dos tiendas por departamentos en la parte este de Nueva York así como en otras áreas de la ciudad.

En un comunicado de Prensa, Resistencia Puertorriqueña rechaza las imputaciones de una historia publicada en el diario Daily News en la cual dicha publicación alega haber recibido una carta firmada por Resistencia Puertorriqueña y Griselio, responsabilizándose por los actos y amenazando con "escalar violencia revolucionaria si no se le concede a Puerto Rico la independencia".

De acuerdo a la historia del Daily News, los informes de la Policía señalan que esta organización también es conocida como MIRA y que es "extremadamente peligrosa". Asegura que MIRA colocó por lo menos 35 bombas incendiarias en Nueva York y más de 75 en Puerto Rico causando daños a establecimientos de propiedad norteamericana en más de 20 millones de dólares.

Continúa detallando la información que dos detectives puertorriqueños se encuentran en la ciudad trabajando con detectives de habla hispana investigando a sospechosos. Los detectives boricuas llevaron consigo fotos y huellas digitales, así como otra información sobre miembros de la agrupación MIRA.

En su comunicado de Prensa, la agrupación separatista alega que "las acusaciones hechas contra Resistencia Puer-

torriqueña no pueden mirarse como un hecho aislado, casual, sino como parte de un plan minuciosamente estudiado para justificar el arresto, proceso y encarcelación de los revolucionarios puertorriqueños para así tratar de contener la inevitable radicalización de nuestro pueblo exilado en Nueva York y además complacer a los sectores más conservadores del país que piden a gritos el rodar de algunas cabezas en respuesta a las bombas que contra sus intereses explotan por doquier".

Señalan también que las acusaciones de que hostigan a los comerciantes puertorriqueños de Harlem para levantar fondos y recibir dinero de Cuba, "es un paso más en la campaña de intimidación y descrédito que ejecuta el gobierno de este país, tanto aquí como en Puerto Rico, contra los que como nosotros luchan por la liberación nacional de nuestra patria".

Alegan que para esa campaña de represión el gobierno "ha contado con la complicidad cobarde de los sectores más reaccionarios de la Prensa, representada por el Daily News y El Tiempo".

Al afirmar que es falso que Resistencia Puertorriqueña sea responsable por la publicación del comunicado de Prensa recibido por el Daily News los directores de la organización aseguran que: "no podrán silenciar nuestra voz que es la conciencia de ese pueblo heroico que por 71 años ha batallado contra todo el poderío del imperialismo norteamericano y se mantiene firme, gritando con orgullo: Somos puertorriqueños".

#### SEPARATIST NY GROUP DENIES HAVING PLACED BOMBS

The Independence group, "Resistencia Puertorriquena" (Puerto Rican Resistance), with headquarters in New York, denied having participated in the placing of incendiary bombs in two department stores in the East side of New York, as well as in other areas of the city.

In a Press release, the Puerto Rican Resistance group rejects the accusations of an article published in the Daily News newspaper, in which the newspaper claims to have received a letter signed by the Puerto Rican Resistance group and GRISELIO, making themselves responsible for the action and threatening with "revolutionary violence if Puerto Rico is not granted independence."

According to the article printed in the Daily News, the reports of the Police point out that this organization is also known as MIRA, and that it is "extremely dangerous." It also states that MIRA placed at least 35 incendiary bombs in New York and more than 75 in Puerto Rico, causing damages to American-owned establishments, amounting to more than 20 millions of dollars.

The information continues to state that two Puerto Rican policemen are in the city, working with Spanish-speaking detectives, investigating the suspects. The Puerto Rican detectives took photographs and fingerprints with them, as well as other information regarding the members of the MIRA group.

In its Press communication, the separatist group claims that "the accusations made against the Puerto Rican Resistance must be considered as part of a carefully studied plan, to justify the arrest, trials, and incarceration of the Puerto Rican revolutionaries, to thus try to stop the inevitable radicalization of our people exiled in New York, and in addition, please the more conservative sections of the country, which

ALL INFORMATION CONTAINED

demands the beheading of a few, as an answer to the bombs which explode everywhere against their interests."

They also point out that the accusations which are made against the Puerto Rican businessmen in Harlem to raise funds and receive money from Cuba, "is another step in the slander campaign carried out by the government of this country, here as well as in Puerto Rico, against those who, like us, struggle for the national liberation of our country."

They claim that for that repression campaign, the government "has counted on the coward complicity of the more reactionary sections of the Press, represented by the Daily News and 'El Tiempo.'"

Upon affirming that it is false that the Puerto Rican Resistance is responsible for the publication of the Press release received by the Daily News, the directors of the organization assure that: "they will not be able to silence our voice, which is the conscience of that heroic people, who, for 71 years have struggled against the power of American imperialism, and that firmly shouts proudly: We are Puerto Ricans."

A source advised on September 11, 1969, that the Young Lords Organization (YLO) formerly was a street gang active on the near north side of Chicago, Illinois, which became during 1969, an organization active in protest type activity. This source advised on February 12, 1970, the YLO's current objective is a nationwide campaign on the issue of "Free Puerto Rico," and in order to further this objective, they hope to establish chapters throughout the United States. The YLO now has an active chapter in New York City.

A characterization of FUPI is contained in the Appendix attached hereto.

b7C After the rally, [redacted] advised that the YLO and UEP planned to send groups to Puerto Rico to work with the FUPI, Partido Independentista Puertorriqueno (Puerto Rican Independence Party)(PIP) Youth, and other independentist youth to fight against Yankee colonialism; the proposed copper mines of Utuado, Puerto Rico; the U. S. Navy's use of the Island of Culebra; the draft; and the United States involvement in Cambodia. He stated that the plans were to send the groups this summer. He further stated that Jose "Cha-Cha" Jimenez, Leader of the Young Lords, was interested in finding out if the YLO could be of assistance in the clandestine sabotage movement in Puerto Rico. This was not amplified further.

A characterization of PIP is contained in the Appendix attached hereto.

[redacted] also indicated that they have a "factory" on 12th Street, and specifically at the apartment of a person named [redacted] did not elaborate further on the "factory."

SI T-1 conjectured that this "factory" could very well be a place where sabotage devices are being made or stored.

FEDERACION DE UNIVERSITARIOS PRO-INDEPENDENCIA  
(FEDERATION OF UNIVERSITY STUDENTS FOR INDEPENDENCE)  
(FUPI)

The FUPI was organized in October, 1956, at the University of Puerto Rico (UPR), Rio Piedras, Puerto Rico, as a student organization working to obtain independence for Puerto Rico. A source advised the FUPI was elected an integral member of the International Union of Students (IUS), Prague, Czechoslovakia, in October, 1960.

During the 12th Annual FUPI Congress held on October 27, 28, and 29, 1967, in Rio Piedras, Puerto Rico, the organization's Executive Committee voted to sever relations with the IUS, inasmuch as delegates to the 9th IUS Congress held in Mongolia between March 27 and April 5, 1967, denied a FUPI sponsored motion which cited the student delegation of Chile as an organization which serves as a "screen for the Central Intelligence Agency."

The IUS has been cited by the Internal Security Subcommittee of the Senate Judiciary Committee in 1956 as being among "international communist fronts functioning at the present time" and by the Committee on Un-American Activities, U. S. House of Representatives, in 1951, as one of the "long established, Soviet-controlled international organizations."

The 12th FUPI Congress, which was dedicated to ERNESTO "CHE" GUEVARA, and to the National Liberation Front of Vietnam, in its "General Statement" as ratified on October 29, 1967, expressed solidarity with the "Black Nationalist Movement in the United States"; reaffirmed its total support of decisions made by the Latin American Continental Organization of Students (OCLAE), a Latin American student organization based in Havana, Cuba; condemned the Selective Service law and proclaimed support to all who repudiate same; declared the "common enemy of all men is Yankee imperialism" and vowed "to struggle by any means for the obtaining of independence in the liberation of Puerto Rico."

1

MOVIMIENTO PRO-INDEPENDENCIA DE PUERTO RICO  
(PUERTO RICAN INDEPENDENCE MOVEMENT) (MPIPR)

The MPIPR was organized in November, 1959, at Ponce, Puerto Rico, to work for the independence of Puerto Rico. It has an estimated membership of between 1,000 and 1,300 people with missions throughout the Island of Puerto Rico and in New York, New York; Chicago, Illinois; and Buffalo, New York.

At the time the MPIPR was organized, it indicated that it did not advocate violence but would accept members who did. JUAN MARI BRAS, the founder and dominant leader of this organization, in a speech during March, 1964, threatened violence comparable to that in Algeria, 1964, if Puerto Rico became a state within the United States. A source reported in 1966 that a leader of the MPIPR has indicated that "the Revolution" would soon begin and another source advised that another official of this organization has attempted to obtain a number of automatic pistols.

Articles praising FIDEL CASTRO and the Cuban Government regularly appear in the MPIPR publications. In 1961 the MPIPR adopted a resolution expressing a 100 per cent approval of and solidarity with the Cuban revolution. It sent a delegation to the Tri-Continental Conference of African, Asian, and Latin American People, held in Havana, Cuba, during January, 1966, and it maintains a permanent delegate to the Secretariat located in Havana.

The press of Puerto Rico has reported that the MPIPR has held numerous demonstrations protesting compulsory military service of Puerto Ricans and United States policy in Vietnam and the Dominican Republic.

In December, 1966, the Governor of Puerto Rico signed into law a bill calling for a plebiscite on July 23, 1967, to determine the future political status of Puerto Rico. The plebiscite, denounced vociferously by the MPIPR as "an act of Yankee imperialism to maintain the colonial status of Puerto Rico," resulted in an overwhelming endorsement of the present Free Associated State status.

Resolutions adopted at the 7th National Assembly held in late April, 1968, at San Juan, Puerto Rico, included expressions of solidarity with the National Liberation Front of South Vietnam and promises of material support in the form of medicine and money. # Memorandum

TO : SAC [REDACTED] C

DATE: 5/25/70

FROM : SA EDWARD H. JOYCE

SUBJECT: [REDACTED]  
SM-PRN

Re Memo of SA ALFRED E. SEDDON 4/1/70.

A review of the file in instant matter shows that the address of instant subject is the same as listed on the 3"x5" card found in the MIRA case as explained in referenced memo.

It is to be noted that the memo of SA SEDDON carries the subject's name as [REDACTED] due to a misreading of the 3"x5" index card name. The 3"x5" index card name should be [REDACTED] instead of [REDACTED] is a known alias of the captioned subject.

IT has therefore been concluded that the name card mentioned above is identical with the subject.

In view of the fact that the subject is a [REDACTED] of the SJO and no further investigation is indicated, it is requested that this matter be closed.

Some of these questions included the procedure in which people are admitted to the tower, the locations of the doors and exits in the vicinity of the FAA complex. This individual did not appear to be interested in any of the air traffic control procedures and only was interested in the security of the office. It was noted by the members of FAA in the tower at that time that this individual did not take any notes.

Re memo to file dated 3/11/70; memo to file dated 3/30/70, captioned [REDACTED]

A detailed examination of document [REDACTED] (set out in re memo) reflects the conjecture that [REDACTED] and [REDACTED] appear not to be the same individual. This conjecture is based on the [REDACTED] statement in this document that he belonged to a clandestine organization in Puerto Rico in [REDACTED] was in [REDACTED] then.

On 3/24/70, Captain JOSE R. SANCHEZ, OI-POPR, advised SA ROBERT J. HEIBEL that [REDACTED] is a member of the MIRA and is currently [REDACTED] From this information it is probable [REDACTED] who is in fact [REDACTED] could very well be identical with the subject of this case.

b7c Based on the above and in the absence of any other information, at this time, to warrant a different conjecture, it is recommended that this case be consolidated with [REDACTED]. In re memo of 3/30/70 there is no indication of a [REDACTED] appearing on document [REDACTED]. However, [REDACTED] appeared on original document [REDACTED]. Further, by the name [REDACTED] appears the word "reclutado" (recruited). This document, although by itself non conclusive, appears to strengthen the conjecture that [REDACTED] are the same person because of what the OI informant related to Captain JOSE E. It would appear that the resulting publicity from the arrest of CARLOS FELICIANO VAZQUEZ by the NYCPD on 5/16/70 has made [REDACTED] wary of continuing [REDACTED]. In one press interview following the arrest of FELICIANO, an NYCPD official is quoted as having stated that additional arrests of individuals responsible for the NYC bombings would be made. This turn of events would most likely make [REDACTED] concerned and cautious and account for their [REDACTED].

Further, a possibility exists that [REDACTED] do not, as yet, have the [REDACTED] mentioned to [REDACTED]. In re San Juan airtel, it was pointed out that on [REDACTED] had received a letter from [REDACTED] in which the latter stated he knew where he [REDACTED] presumably in NYC, but [REDACTED]. He remarked that the [REDACTED] was of utmost importance and that he [REDACTED] would go into [REDACTED] arrived in NYC on an expected visit.

It will be recalled that [REDACTED] originally made the approach to [REDACTED] subsequently [REDACTED].

On this point [REDACTED] has reiterated that the [REDACTED] was made of the source by [REDACTED]. The source in no way [REDACTED].

Thereafter, [REDACTED] approached the source [REDACTED].

On 5/22/70, [REDACTED] telephonically contacted the NYO to advise he was in NYC and would make contact with [REDACTED] as soon as feasible.

It appears likely that [redacted] will be in a position to report on the degree of sincerity [redacted] have about [redacted]. Further, this source will undoubtedly learn if [redacted] has, as yet, [redacted] or how he plans to go about [redacted]. Source should also learn [redacted] and how they intend to [redacted].

In this regard [redacted] has been alerted for a possible request by [redacted] to assist [redacted].

b2  
b7D  
b7C  
From a future prosecutive standpoint, it appears that [redacted] will be in a better position to testify regarding [redacted]. During his NYC visit, [redacted] will undoubtedly have conversations with [redacted] which will [redacted] will also be in a position to determine the [redacted] will be instructed to attempt to [redacted] but with source [redacted].

Due to the [redacted] and the introduction [redacted] into the picture, the plans previously outlined by the NYO will unquestionably have to be adjusted. The degree and exact type of adjustment will become more readily known after [redacted]. In the meantime, NYO will remain alert to the possibility of re-establishing [redacted] either through [redacted] or public telephone number [redacted].

NY 105-106896

The NYO has considered the use of recording equipment during ~~transactions anticipated to be held between~~ [REDACTED] Any prior use would be of no prosecutive value, since the [REDACTED] and he is not expected to testify. It is planned that Bureau authority would be requested prior to the actual use of such equipment.

b2  
b7C  
b7D It is entirely conceivable that with the introduction of [REDACTED] into these proceedings, the necessity for [REDACTED] having to testify may be eliminated. Here again, this determination can not be made until after [REDACTED] has completed [REDACTED]

It should be noted that with the assistance of the Newark Division, the [REDACTED] is in [REDACTED]

[REDACTED] These [REDACTED] is established and he so requests.

This matter is receiving continuous and preferential attention. All pertinent developments will be furnished Bureau and San Juan Office.

A review of instant file reflects that it is identical to the magazine "La Escalera" which was one of 77 names found on 3 x 5 cards during MIRA raids by the POPR in February, 1970.

It should also be noted that from a review of instant file, the following individuals are editors of La Escalera:

GERVASIO L. GARCIA

GEORGE FROMM

JUAN E. MESTAS

In view of the above no further action is being contemplated at this time concerning instant file and copies of this memo are being placed in the case files of the aforementioned subjects.

[REDACTED] does not know the address of these [REDACTED] but indicated that possibly through this telephone number the subject could be reached.

On 5/12/70, the above captioned individual appeared at the San Juan Office and was interviewed by Special Agent ALFRED E. SEDDON.

On 5/12/70, [REDACTED] advised that approximately in [REDACTED] while he was attending [REDACTED] he became somewhat acquainted with JUAN MARI BRAS. He also advised that through his studies he has made some friendship with one [REDACTED]. He stated that although he does not or has not been on a constant friendship basis with JUAN MARI BRAS he feels that he is in a position to renew the friendship.

When asked if he ever had information pertaining to previous incidents of bombing or incendiaries on the island prior to the act, the abovecaptioned individual replied in the affirmative. He stated that through his associations with different individuals in the San Juan area he has heard several rumors that later appeared to have some truth to them.

He stated that at one time in the past he met with some individual in a bar in Santurce, Puerto Rico, who apparently worked for the United States Government for he gave the above captioned individual a box number where he could be contacted if the above captioned individual obtained any information pertaining to revolutionary activities on the island. This box number is [REDACTED] zip code [REDACTED]. This unknown individual did not definitely

[REDACTED]

state whether he was a member of any intelligence organization but the above captioned individual suspects that he was.

The above captioned individual stated that since his divorce he has spent sometime going about to different bars and night spots in the San Juan area. He stated that about [REDACTED] he was in the bar at the [REDACTED] and ran into an American described as follows:

Age: [REDACTED] years  
Build: Heavy set  
Height: 6'1"  
Weight: [REDACTED] pounds  
Hair: Light brown  
Eyes: Brown  
Name: Unknown

[REDACTED] advised that this individual although a little bit tipsy stated that he was bringing weapons into the island to be sold to a group who follows ALBIZU CAMPOS. He advised that he apparently was in a position to deliver arms to Playa de las Mareas near Guayama, Puerto Rico.

[REDACTED] stated that at that time he did not have the name of the individual who he was talking to at the [REDACTED] but due to the fact that this individual comes down quite often to Puerto Rico and stays at the [REDACTED] he feels

[REDACTED]

that through his friends who work there he can get this man's name.

On 5/4/70, [REDACTED] advised telephonically that he had heard from an individual who is a member of FUPI, name unknown, that there was a rumor of a threat to do bodily harm or picket the members of the Ad Hoc Committee who are to arrive concerning the question of the presidential vote. This information was passed to Office of Intelligence, Police of Puerto Rico, through Special Agent JOSEPH F. BRENNAN. [REDACTED] stated that this plan was apparently due about 5:00 pm and the rumor indicated possible political violence at the airport or the University of Puerto Rico Campus while the committee was present. [REDACTED] also advised that the individual in question who was staying at the Holiday Inn was [REDACTED] who apparently spent time [REDACTED]. It is alleged by individuals who have talked to [REDACTED] at the [REDACTED] that he had [REDACTED] to JUAN MARI BRAS. This individual has also made contact with a professor in Mayaguez in an attempt to study and obtain some credits from the University of Puerto Rico in Mayaguez.

NY 105-109034

JOSE A. SERRANO and FELIX RIVERA MELENDEZ belong to a clandestine group called Resistencia Puertorriquena Griselio (RP-G). The group is separate and distinct from the MIRA in NYC, in fact there is a definite rivalry between the two groups.

According to [REDACTED] the word "GRISELIO" in the name of their organization is meant to honor GRISELIO TORRESOLA, the Puerto Rican Nationalist who was killed by a White House Guard during an abortive attempt on the life of HARRY S. TRUMAN, former President of the US on 11/1/50.

He feels that the ideal to be fought for is the independence of Puerto Rico and those involved should not be working for the cause of international communism. (The possibility exists that [REDACTED] was referring to AVELINO GONZALEZ CLAUDIO [REDACTED] as the egotistical leader of the MIRA in NYC).

It had been felt that [REDACTED] was possibly a MIRA plan, but the information furnished by [REDACTED] indicates that it is an effort by associates of RP-G.

In its contact with the Oswego PD, Albany Division should not disclose, at this time, that the NYO is in the process of developing information concerning the Oswego bombings.

The Oswego PD should be advised that there have been a total of almost 50 bombings in the NYC area within the past year and a detailed description of the bombs utilized in Oswego would assist in making comparisons with these other bombs. Further, since there now appears to be two groups, MIRA and RP-G, operating in the NYC area, the need to determine which group is responsible for which bombings becomes apparent. It is felt that a comparison of the make-up of the bombs will assist in making this determination.

A review of Document [REDACTED] which is signed by [REDACTED] and addressed "Greetings Comrades" indicates that [REDACTED] does not have an established friendship with [REDACTED] and indicates that developing this friendship would be a very slow process. [REDACTED] notes that cultivating a friendship would be difficult because he needs an excuse to talk with [REDACTED] although he is not sure if he could discuss the "organization." [REDACTED] indicates that he would need an excuse to justify a visit with [REDACTED] which would be the start from which he could cultivate a friendship. A review of Document [REDACTED] which is always addressed "Greetings Comrades" and signed [REDACTED] contains indications that [REDACTED] whom investigation has shown to be identical with [REDACTED] possibly has a roll as a recruiter of new members into the "MIRA" organization.

Investigation has established that the identity of GILBERTO and IGNACIO, aka Ramon, is FEDERICO ACEVEDO SANTIAGO, aka "Angel." ACEVEDO SANTIAGO is a "professional student" at the UPR and is employed full time at the UPR Library. A review of the letters written by him indicates that he plays a major roll in the "MIRA" organization.

## APPENDIX

### NATIONALIST PARTY OF PUERTO RICO - NEW YORK JUNTA

~~CONFIDENTIAL~~

The Nationalist Party of Puerto Rico (NPPR) has been designated pursuant to Executive Order 10450.

On May 20, 1969, a source furnished the following information:

The New York Junta (or New York Municipal Board) of the NPPR was formed in 1943 and, while it was supposed to function under the direction of the NPPR National Board, located in San Juan, Puerto Rico, it very often operated autonomously and beyond the control of the National Board.

On May 5, 1969, a second source furnished the following information:

The New York Junta has approximately ten active members, but there are approximately 50 individuals in the New York City area who consider themselves Nationalist "at heart" and can be counted upon to attend New York Junta sponsored public functions.

The New York Junta has the same aims and purposes as the NPPR parent organization, which are to establish Puerto Rico as a free and sovereign republic. In the past, NPPR members have proved by their terrorist acts that they would not hesitate to use violence to achieve their goal of independence.

New York Junta activity consists primarily of promoting the cause of independence through sponsoring and participating in public demonstrations and commemorating specific past events, having significance to the Puerto Rican independence movement. It elects its own officers and is generally autonomous in NPPR affairs in the New York City area.

The New York Junta has no headquarters and holds its meetings and social events in a rented hall at 2776 Third Avenue, Bronx, New York.

April 22, 1970

On the evening of April 21, 1970, starting at approximately 8:30 p.m., the organization "Resistencia Puertorriquena" held a public meeting at the Fiesta Room, Hotel Alamac, Broadway and West 71st Street, Manhattan, New York, to commemorate the fifth anniversary of the death of PEDRO ALBIZU CAMPOS. Approximately 40 persons were in attendance, among whom the following were recognized:

LUIS SOSA  
EPIGMENIO MARTINEZ  
ALEJANDRO FIGUEROA  
ZORY COLLAZO, who may be living with ALEJANDRO  
FIGUEROA, at this hotel  
LUIS CABAN

The following individuals were speakers at this

*Rodriguez*  
WALTER ~~REDA~~

He mentioned that he is a student at Fordham University and is attempting to interest students at this university in bringing about independence for Puerto Rico (PR). He read several poems and a story about a Puerto Rican soldier who was killed during the Korean War. He expressed sympathy for the cause of independence for PR and stated that independence must be fought for both in New York City and PR. Although he appears to be a quiet man he supports the idea of violence to bring about independence. He appears to have great magnetism and is a leader of men. He gives the feeling of having great self-confidence. He speaks in a sure and strong manner. He is married to a blond Puerto Rican girl, whose name is unknown. He is described as follows:

NY 105-106962

Age	25-28
Height	5'9"
Build	Medium
Hair	Brown, worn extremely long
Characteristics	Has large moustache

RAMON FIGUEROA

He spoke in favor of fighting for independence of PR. His speech did not have much strength and he does not have the self-confidence that WALTER ~~RODRIGUEZ~~ has. FIGUEROA does not speak with conviction.

*Rodriguez*

The speeches were received with enthusiasm by the audience which was made up primarily of young college students.

RAMON FIGUEROA mentioned that he lives on the fourth floor of the Hotel Alamac and he is a Counselor for students under the SEEK Program which operates out of the same hotel.

RAMON FIGUEROA stated that Resistencia Puertorriquena is not a membership organization and it is not recruiting any individuals to work with it. RAMON FIGUEROA stated that he is the President of this organization and that the Resistencia Puertorriquena has no connection with a group having the same name which has taken credit for bombings in New York City department stores. It appears that members of the Resistencia Puertorriquena which has done the bombings of stores have contacted RAMON FIGUEROA complaining to him for using the same name. RAMON FIGUEROA stated that he would be going to the local newspapers soon to make a statement denying that his organization has any connection with the group by the same name who have admitted bombing local department stores. RAMON FIGUEROA had a copy of a communique which had been released by the Resistencia Puertorriquena who had been taking credit for the bombings. He did not state where he obtained this communique.

NY 105-106962

LUIS SOSA has the opinion that the Resistencia Puertorriquena, which claims to have committed the bombings in New York City, is really the New York branch of the Movimiento Independentista Revolucionario En Armas (MIRA). SOSA is of the opinion that the MIRA group in New York will have to commit some kind of terrorist act in order to prove that they are the real and original "Resistencia Puertorriquena".

LUIS SOSA stated that the MIRA is divided into various small groups but he did not explain how he knew this.

LUIS SOSA is presently unaffiliated with any Puerto Rican pro-independence group. SOSA stated that he wants to remain free to associate with any group he pleases. SOSA appears to be working with various student groups, the identities of which are unknown.

ZORY COLLAZO recently returned from PR where she assisted in organizing a committee to work for the release of Puerto Rican "political" prisoners. There is a possibility that BLANCA CANALES and JULIO PINTO GANDIA, both of whom are in PR, are also members of this committee. ALEJANDRO FIGUEROA is working for this committee in the New York City area. ZORY COLLAZO is expected to visit her father, OSCAR COLLAZO, at Leavenworth Penitentiary soon.

On 6/2/70, SAs JOHN J. BURKE and ROBERT E. O'BRIEN visited the offices of GRACIANY MIRANDA MARCHAND, at Condominium LeMans, Hato Rey, Puerto Rico. On this same occasion, MIRANDA's secretary advised that he was presently at Superior Court, Stop 17, Santurce, Puerto Rico.

On the same date, SAs BURKE and O'BRIEN visited the Court and determined that MIRANDA MARCHAND would return to the Court and the Chambers of Judge GRAJALES, prior to returning to Court for a pending trial.

SA BURKE visited Judge GRAJALES and obtained his permission to talk to MIRANDA MARCHAND explaining to him that the purpose of the contact with MIRANDA was for the purpose of setting up a future convenient date for a discussion with him. It was explained to Judge GRAJALES that the matter to be discussed with MIRANDA had no connection with the trial presently pending in Judge GRAJALES' Court. Judge GRAJALES stated that he would make available his secretary's office, which was an anteroom to his own office. He stated that since the Court was presently in adjournment, there would be no disruption of his trial.

When Attorney MIRANDA entered the Judge's Secretary's reception room, he was apprised of the identity of the interviewing Agents. At this time he stated that he had no information concerning present whereabouts of the subject. He stated that he would be happy to meet with the contacting Agents at his office, Condominium LeMans, Hato Rey, on Saturday, 6/6/70, at 10:00 a.m. When asked if he was aware of the identity of an attorney by the name of [REDACTED] who might be associated with the subject, he stated he did not.

[REDACTED] Security Officer, Eastern Airlines advised that no EAL flights arrived at JFK Airport from San Juan after 9:18 p.m., [REDACTED] which was the "on-time" arrival time of Flight Number 984. Flight number 926 arrived on time at Newark Airport at [REDACTED]

Miss LYNN HOTH, Secretary to JOHN WILLIS (Former SA) Security Officer, Pan American Airlines advised that Flight Number [REDACTED] was supposed to arrive at JFK Airport from San Juan, at [REDACTED] but landed at [REDACTED]. This flight was the only PAA flight which fit the set of facts and Miss HOTH is attempting to secure a copy of this flight's manifest for review. She pointed out, however, that the passengers on this flight would only be listed by last name.

67C In view of the [REDACTED] to immediately meet with [REDACTED] it is unlikely that the [REDACTED] was calling from [REDACTED]. In the absence of any information to the contrary, no attempt will be made to obtain manifests of flights which terminated at Newark Airport.

ReNYairtel explained that prior to the explosion of a pipe bomb at Sears, Roebuck Store, Brooklyn, NY, on 5/4/70, the NYCPD Emergency Operator received a telephone call from an unknown male, warning that "you have 8 minutes to evacuate Sears Roebuck". This call was tape recorded and a copy of the tape was obtained by SA LEONE from Detective [REDACTED] NYCPD Special Squad. The tape was played for principal Puerto Rican pro-independence sources, but none could positively identify the voice of the unknown caller. The tape is being retained for possible future identification.

On 6/8/70, Detective [REDACTED] advised SA LEONE that from 9:30 p.m. to 10:15 p.m., 6/6/70, nine incendiary devices exploded in the basement and street level floors of a Woolworth Store located at 1518 Broadway, NYC, NY. The store had closed at 8:30 p.m., and the Assistant Manager, HENRY ROBINSON, and four employees were still in the store at the time of the fires. One fire, in the basement, caused considerable damage, but all others were quickly extinguished.

Examination requested by: San Juan

Reference: Airtel 3/2/70

Examination requested: Document - Chemical Analyses

Remarks:

Efforts to restore the faded writing on Q1 through Q122, which were primarily photographic in nature, met with only little success and the limited results achieved do not appear to justify the major expenditure of time and effort necessary in this regard. In order to achieve any further success along these lines, extensive photographic work is necessary for each item and it appears doubtful that such treatment on a nonselective basis is warranted. Therefore, no attempt was made to restore the faded writing on the "Also submitted" items nor were they photographed by ordinary means. Of course, should it be deemed desirable or necessary to make further efforts to restore the faded writing on certain selected documents, these should be resubmitted to the Laboratory together with your request for such action.

FEDERICO ACEVEDO SANTIAGO

On 5/27/70, ~~XXXXXXXXXX~~ was contacted by SA's GORDON W. MC GINLEY, JOHN BURKE and SINECIO GUTIERREZ in connection with the fu above-captioned fugitive investigations. ACEVEDO admitted he was acquainted with TODD and had written letters to him "some months before", but that he had not communicated with him recently. He stated he had ~~no information~~ no information to furnish the FBI re this investigation or any other, and declined to discuss the matter further.

It should be noted that, while ACEVEDO declined to furnish any information of value, he did not display an attitude of hostility. He spoke in a courteous manner while at the same time displaying noticeable signs of nervousness.

It is also ~~repeatedly~~ noted 

In view of the absence of hostility on the part of ~~the subject~~ ACEVEDO, it was felt that a re-contact might be productive, and an effort to accomplish this was made on 6/1/70. ~~The subject~~ ACEVEDO's wife answered the door, and informed SA's MC GINLEY, BURKE and GUTIERREZ that her husband was not at home and had not been at home since Friday, 5/29/70. She appeared to be quite upset, but invited the SA's to come into the apartment to discuss the matter.

In further conversation, Mrs. ACEVEDO explained that her husband merely told her that he felt it would be best if he left for awhile. He did not say a great deal about what the trouble might be, but did say he believed the FBI had certain letters he had written. He did not elaborate on this and she got the impression he feared he was going to be arrested. She stated she could not believe her husband had

Long before he had agreed to give up his activities with FUPI and similar groups. He did not write letters at home, nor did he hold meetings at the apartment. She had no idea as to what the letters he had mentioned might have to do with.

She did say that her husband took a trip to New York City one weekend this past January. She declined to elaborate on this.

Concerning "Tito" TODD, she stated she knew both TODD and his wife, and "loved them both." She stated she was aware TODD had been accused of certain crimes, but that she had not seen or heard from TODD for a long time. She asserted that neither she nor her husband had any idea where either TODD or OJEDA might be.

She advised that she has no idea where her husband might presently be. When he departed he did not say where he was going or how long he would be gone. He took no extra clothing or money. He simply said goodbye to her and the children and left the apartment.

[REDACTED]

[REDACTED]

May 6, 1970

On [REDACTED] the following Nationalist Party of Puerto Rico (NPPR) members attended a Junta meeting of NPPR at its Rio Piedras headquarters:

b7C  
[REDACTED]

At this same meeting, there was a general discussion of the continuing problem of the NPPR in New York City. At the same time, there was a discussion of the practicability of establishing municipal juntas in addition to the presently existing Santurce Junta.

There was no discussion of the recently held St. Just picnic which was superficially sponsored by the NPPR, but in fact, was planned by and the proceeds received by BLANCA CANALES. The dissension created by several NPPR members who insist upon supporting the Movimiento Independencia Rebelde Armado (MIRA) has become severe, and this was the reason for the exclusion of any mention of the picnic.

On [REDACTED] the municipal Junta had the following persons in attendance at a meeting:

Plans were discussed regarding the celebration of Flag Day, June 11, 1970, to be held at Manati, Puerto Rico. It was determined that approximately \$300 would be needed to arrange for the festivities planned at Manati. This money would be raised through a raffle. Two new members were present at the Municipal Junta:

[REDACTED] will travel to [REDACTED]  
on [REDACTED]. He intends to stay in [REDACTED]  
[REDACTED] weeks. The exact nature of his visit is  
unknown. He has recently stated that he is frightened  
by his association in MIRA and would probably go to  
[REDACTED] for the purpose of seeking an employment.  
It is also probable, however, that he will attempt to  
contact MIRA cell members [REDACTED]. He has mentioned  
in the past his intention to bring [REDACTED]

APPENDIX

1

MOVIMIENTO PRO-INDEPENDENCIA DE PUERTO RICO  
(PUERTO RICAN INDEPENDENCE MOVEMENT) (MPIPR)

The MPIPR was organized in November, 1959, at Ponce, Puerto Rico, to work for the independence of Puerto Rico. It has an estimated membership of between 1,000 and 1,300 people with missions throughout the Island of Puerto Rico and in New York, New York; Chicago, Illinois; and Buffalo, New York.

At the time the MPIPR was organized, it indicated that it did not advocate violence but would accept members who did. JUAN MARI BRAS, the founder and dominant leader of this organization, in a speech during March, 1964, threatened violence comparable to that in Algeria, 1964, if Puerto Rico became a state within the United States. A source reported in 1966 that a leader of the MPIPR has indicated that "the Revolution" would soon begin and another source advised that another official of this organization has attempted to obtain a number of automatic pistols.

Articles praising FIDEL CASTRO and the Cuban Government regularly appear in the MPIPR publications. In 1961 the MPIPR adopted a resolution expressing a 100 per cent approval of and solidarity with the Cuban revolution. It sent a delegation to the Tri-Continental Conference of African, Asian, and Latin American People, held in Havana, Cuba, during January, 1966, and it maintains a permanent delegate to the Secretariat located in Havana.

The press of Puerto Rico has reported that the MPIPR has held numerous demonstrations protesting compulsory military service of Puerto Ricans and United States policy in Vietnam and the Dominican Republic.

In December, 1966, the Governor of Puerto Rico signed into law a bill calling for a plebiscite on July 23, 1967, to determine the future political status of Puerto Rico. The plebiscite, denounced vociferously by the MPIPR as "an act of Yankee imperialism to maintain the colonial status of Puerto Rico," resulted in an overwhelming endorsement of the present Free Associated State status.

Resolutions adopted at the 7th National Assembly held in late April, 1968, at San Juan, Puerto Rico, included expressions of solidarity with the National Liberation Front of South Vietnam and promises of material support in the form of medicine and money. Also included were a resolution of solidarity with "Black Power" in the United States, and an expression of solidarity with the "National Liberation" movement in Venezuela, Colombia, and Guatemala.

(SOCIALIST WORKERS PARTY) (PSO)

&

MOVIMIENTO INDEPENDENTISTA  
REVOLUCIONARIO DE ARMAS  
(Armed Revolutionary Independence  
Movement) (MIRA)

On April 30, 1968, a confidential source furnished a printed document captioned "Manifiesto Del P.S.O. A Todo El Pais" (Manifesto of the PSO to the Entire Country). It announces the creation of the new organization "Partido Socialista Obrero" and calls upon the youth of Puerto Rico as those who in the end "are going to defeat Imperialism, Colonialism and Capitalism by building a new society of peace and justice under the flag of Marxist-Leninist Socialism." The manifesto terminates with declarations that: It will work for unity of working people exploited by the rich; youth should unite against obligatory military service; it will respond violently in defense of life and country against the oppression of the FBI, CIA and Colonial Police. The manifesto is signed by a group of individuals with WILSON CORTES BURGOS identified as Secretary General of the organization.

The May 22, 1968, issues of "El Mundo" and of "El Imparcial," both Spanish language daily newspapers published in San Juan, Puerto Rico, carried articles concerning the formation of a new "political party" called the "Socialist Workers Party" in Aguadilla, Puerto Rico. According to the articles, the new organization advocates armed revolution and announced at a public meeting that it would secure weapons to achieve its objective of Independence and Socialism for Puerto Rico. The articles reported that at the public meeting in Aguadilla, Chinese communist leader, MAO TSE TUNG, was cheered and workers, countrymen and students were urged to battle against Capitalism.

On August 27, 1968, the same source reported that WILSON CORTES BURGOS justified the need for the new organization, PSO, with the declaration that it was the first independence-type organization which followed the Marxist-Leninist line as expounded by MAO TSE TUNG of Red China.

On September 16, 1968, a second source reported on an open meeting sponsored by the PSO in Lares, Puerto Rico, on September 14, 1968. WILSON CORTES BURGOS was the principal speaker and he criticized other independence groups for not being more militant. CORTES BURGOS declared that the PSO was aligned with the world communist movement and was following the Marxist-Leninist line of political activity.

MIRA &  
PSO CONTINUED

On September 16, 1968, the first source advised that the first issue of the official publication of the PSO, "Obreros en Marcha" (Workers on the March), had been published.

In December, 1968, the first source related that MARCISO RABELL MARTINEZ, known to him as the former representative in Havana, Cuba, of a prominent independence organization in Puerto Rico, had become very active in the PSO and was in the process of organizing within the PSO the Movimiento Independencia Rebelde Armado (MIRA) (Armed Rebel Independence Movement) composed of select members of the PSO who are to be in charge of all sabotage and related activities of the PSO. RABELL, with the concurrence of WILSON CORTES BURGOS, has announced that the aim and goal of MIRA and PSO will be to attack and destroy by means of bombing or incendiarism all the American owned businesses possible. According to the source, targets will also include other American establishments on the island of Puerto Rico, such as National Guard armories and military installations.
